Mr. SPEAKER.—All the notifications, rules, reports and ordinances are laid on the Table of the House.

Explanatory Statements under Rule 70 (2) of Rules of Procedure and Conduct of Business in the Mysore Legislative Assembly *Re:* the issue of the Mysore Village Panchayats and Local Boards (Amendment) Ordinance, 1969 (Ordinance No. 6 of 1969.)

SRI B. L. GOWDA (Deputy Minister for Co-operation).—Under the Mysore Village Panchayats and Local Boards Act, 1959, a total of 60 per cent of Land Revenue was being paid to the Local Bodies. But Government took a decision in the early part of the year that the entire

amount of Land Revenue might be assigned to the Local Bodies with effect from 1st April 1969. Since there was no provision in the existing Mysore Village Panchayats and Local Boards Act, 1959 under which the entire land revenue could be assigned to the Local Bodies, it became necessary to amend sections 78 and 165 of the Act so that orders could be issued urgently to enable the Local Bodies to get cent percent land revenue assignment.

First General Elections to the Taluk Development Boards were held in the year 1960. The members of a Taluk Development Board in respect of which fresh elections could not be held would continue in office till elections thereto were completed and the New Board was constituted. In cases where the elections were stayed by the High Court, they would continue, until the court decided the matter. Since these members were in office for the last eight years, it was considered that it was not desirable to continue them further in office, and that it would be expedient to appoint Administrators to perform the functions and discharge the duties of the Taluk Development Boards. A new section 202 B had therefore to be inserted.

Under the Act the responsibility for the levy assessment and collection of taxes was vested in the Village Panchayats. It was found in practice that though the Panchayats levied and assessed taxes they were unable to collect them through their own agency. It was, therefore, considered desirable to entrust the responsibility for the collection of these taxes to the Village Accountants who are officers of Government and are to a large extent not influenced by purely local considerations. Section 77 of the Mysore Village Panchayats and Local Boards Act had to be amended to secure this result.

Several Village Panchayats had to pay large sums of money to Government and/or to the Mysore Electricity Board. When the Panchayats failed to pay the charges due to the Electricity Board power was disconnected affecting the provision of light and water. So it was necessary to take immediate action to see that the Panchayats paid the amounts due by them to Government as well as to the Electricity Board so that inconvenience to the residents of the Villages for want of light or water supply might be avoided. It became necessary therefore to insert a new section 202A in the Act.

In view of the increasing duties and responsibilities of the Taluk Development Boards it was necessary to enable them to raise additional resources. Section 163 was amended to provide for the levy of a cess at a rate not more than 25 paise in rupee on the Land Revenue and section 73 was amended so that a Town Panchayats might levy a fee on persons resorting to shrines, Jatras and Urs; and so that a panchayat might compound the taxes payable to the Panchayat under this clause.

It had also become necessary to amend section 71 of the Act making the amounts to be allotted by the Taluk Board to form a part of the

(SRI B. L. GOWDA)

Panchayat fund and also to insert a new section as 166A making Taluk Boards assign a portion of the Shandy revenue to the Panchayats, in order to see that the resources of the Panchayats, are enhanced to enable them to take developmental activities.

Most of these provisions were incorporated in the Mysore Village Panchayats and Local Boards (Amendment) Bill, 1969 which was introduced in the last Session of the Assembly. As the Assembly was adjourned *sine die* the Bill could not be considered and passed.

As it was absolutely necessary that orders should be issued without any loss of time in respect of these matters an Ordinance was promulgated.

re : the issue of the Mysore Agricultural Produce Marketing (Regulation) (Second Amendment) Ordinance, 1969 (Ordinance No. 7 of 1969).

SRI B. L. GOWDA (Deputy Minister for Co-operation).—The elections to the Market Committees have to be held within one year from 19th July 1969. The expression "Agriculturists" as defined in the Mysore Agricultural Produce Marketing (Regulation) Act, 1966 would necessitate ascertainment of persons personally cultivating the lands as indicated therein and the preparation of voters' list would therefore have taken a long time. It was therefore found necessary to amend the Act so that only occupants and tenants cultivating the agricultural lands might be registered as the voters in the agriculturists constituencies as this would facilitate preparation of the voters' list without delay.

Where there are more than one Taluk Marketing Societies in a Taluk it was considered necessary that any member of the Committee of any one of these societies might be nominated to the first Market Committee. Similarly it was also considered necessary to provide that all elected Directors should form an electoral college to elect one from among themselves to be a member on a Market Committee in respect of the Taluk Marketing Societies in a Taluk.

It was also considered necessary to prohibit a person from becoming a member of more than one Market Committee at a time.

As elections are to be held within one year from 19th July 1969, the Ordinance entitled the Mysore Agricultural Produce Marketing (Regulation) (Second Amendment) Ordinance, 1969 was promulgated on the 17th October, 1969.

re: the issue of the Mysore Land Revenue (Second Amendment) Ordinance, 1969 (Ordinance No. 8 of 1969).

Sri H. V. KOUJALGI (Minister for Revenue).—The Mysore Land Revenue (Second Amendment) Bill, 1969 was introduced in the Legislative Assembly in September, 1969 but it could not be taken up for want of time. In the meantime, the revised Land Grant Rules were finalised and it was necessary to expedite land grant cases and appeals arising out of orders in such cases. A part of the Bill dealing with delegation of original and Appellate powers was, therefore, issued as an Ordinance in October, 1969.

re: the issue of the City of Bangalore Improvement (Amendment) Ordinance, 1969 (Ordinance No. 5 of 1969).

Sri B. M. PATIL (Minister of State for Municipal Administration).—With a view to empower the Board to borrow money, the City of Bangalore Improvement (Amendment) Bill 1969 was introduced in the last session (August—September 1969) of the Legislative Assembly. The Bill was not taken up for consideration by the House before it was adjourned *sine die*.

Since the City Improvement Trust Board expressed its desire to execute urgently the improvement scheme which are held up for want of funds, it was considered necessary to promulgate an Ordinance, Accordingly the City of Bangalore Improvement (Amendment) Ordinance, 1969 (Mysore Ordinance 5 of 1969) providing for all the matters included in the Bill was promulgated and was published in the *Mysore Gazette* (Extraordinary) dated the 14th October 1969.
